**TRIAL SCHEDULING ORDER**

15 Having bifurcated punitive damages from the liability phase for the B.B. bellwether trial  
16 and due to preexisting Court commitments, the June trial slot will no longer suffice to allow for  
17 presentation of both phases of evidence and sufficient jury deliberation time. Therefore, the B.B.  
18 bellwether trial is continued to the September 2022 trial slot.

19 A Further Case Management Conference is set for June 16, 2022, at 10:00 a.m. by Zoom.  
20 At that time, I will schedule the cases selected for the November 2022 and 2023 trial slots and  
21 discuss any other matters counsel wish to address. The parties should include scheduling  
22 proposals in their Joint Case Management Statement filed no later than June 14, 2022.

23 **IT IS SO ORDERED.**
